

Myers Medical Coding Edu

Certification Programs Catalog 2026–2027

Head Instructor: Terrance Myers, CPC, CRC, CVBA, AAPC Approved Instructor, New Haven Education Officer 2025–2026

Certified Professional Coder (CPC®)

Overview: The CPC® Certification Preparation Course is an AAPC-aligned, instructor-led program for students preparing for outpatient and physician-office coding careers. Built around real coding workflows, not generic theory, the course covers ICD-10-CM diagnosis coding, CPT procedural coding, HCPCS Level II coding, medical terminology, anatomy, compliance, payer rules, modifiers, and exam preparation.

Course Length	20 weeks (Instructor-Led)
Start Dates	New courses start weekly
Delivery Options	100% remote training; open nationwide
Cost	All-Inclusive CPC Training: \$2,999 total
Includes	20-week structured program, weekly live lectures, CPC exam voucher, unlimited practice exams, real-world coding cases, full instructor access, and ongoing support
Features	AAPC Approved Instructor, weekly live lectures, practical coding cases, and AAPC-aligned exam preparation
Career Impact	2026 salary outlook: Certified medical records specialists average \$67,260 annually per AAPC's 2026 report; DOL/BLS lists the national median for medical records specialists at \$50,250.
Prerequisites	No coding experience required (basic medical term recommended)

Certified Risk Adjustment Coder (CRC®)

Overview: The CRC® Certification Preparation Course provides specialized training for risk adjustment, HCC coding, and value-based care. Students learn HCC coding fundamentals, CMS-HCC and HHS-HCC risk models, ICD-10-CM coding for chronic conditions, chart review, documentation integrity, RADV audits, compliance, and AAPC-aligned exam preparation.

Course Length	16 weeks (Instructor-Led)
Delivery Options	100% remote training; open nationwide
Cost	All-Inclusive CRC® Training: \$2,499 total
Includes	Instructor-led live guided training, current-year ICD-10-CM coding book, unlimited practice quizzes and assessments, official CRC® exam voucher, real-world case studies, and ongoing academic support

Features	AAPC Approved Instructor, live guided instruction, real-world case studies, compliance-focused training, and AAPC-aligned exam preparation
Career Impact	2026 salary outlook: AAPC reports certified professionals average \$67,260 annually, with multi-credentialed professionals averaging higher earnings; DOL/BLS reports 7% projected growth for medical records specialists from 2024–2034.
Prerequisites	Suitable for coders seeking advanced skills

Enrollment Instructions

1. Visit myersmedicalcoding.com to review current program options, tuition, course inclusions, and available training formats.
2. Select the program that best matches your goals: All-Inclusive CPC Training, All-Inclusive CRC® Training, Flexible One-on-One Training, Group Training, or Organizational Partnership.
3. Complete the online inquiry or enrollment form with your contact information, program interest, and any questions you would like answered before enrolling.
4. Submit your request and watch for a follow-up with course start details, enrollment confirmation, payment instructions, and access information.
5. Prefer to connect directly? Call (203) 706-9767 or email info@myersmedicalcoding.com for assistance with program selection and enrollment.
